Dear Ms. Hassell,

I have the honour to inform you that your communication dated 17 March 2022, which you submitted to the Committee on the Elimination of Discrimination against Women for consideration under the Optional Protocol to the Convention on the Elimination of All Forms of Discrimination against Women against Switzerland on behalf of [REDACTED] has been registered as communication 180/2022. You are kindly asked to refer to the registration number in any future correspondence.

Pursuant to article 5, paragraph 1, of the Optional Protocol and rule 63 of the Committee's rules of procedure, the Committee, acting through its Working Group on communications under the Optional Protocol, has requested the State party to refrain from expelling [REDACTED] to Greece while her communication is under consideration. The Committee may review the necessity of maintaining the request for interim measures once the State party's observations thereon have been received.

In accordance with rule 69 of the Committee's rules of procedure, a copy of the communication has been sent to the State party today, with the request that any information or observations in respect of the question of admissibility and merits should reach the Committee within six months.

As per your request, the identity of the complainant will not be disclosed, and the decision of the Committee would only contain a reference to her initials, i.e. [REDACTED]
